

Please review all range rules prior to shooting. Thank you.

- All shooters shoot at their own risk.
- Range is video recorded for employee and participant protection.
- All shooters must enter and exit through the front door.
- Range master has final ruling in any situation leagues, open shooting, etc...This is not open for discussion.
- All shooters must sign in before shooting.
- Be courteous to fellow archers (NO foul language, smoking or tobacco chewing).
- NO BROADHEADS are allowed in the range.
- If you hit the building, light fixtures, etc., and break it, you fix it.
- Always make sure the range is clear before shooting the next round.
- A round consists of 5 arrows. Please wait for all other shooters to finish, then <u>CALL</u> <u>CLEAR</u> before retrieving arrows from the targets. <u>CALL CLEAR AGAIN</u> before shooting the next round.
- Shoot at designated targets only. NO cross shooting.
- Any shooter under the age of 16 MUST have a parent or guardian present.
- Shoot only your arrows at your target in your lane.
- Failure to follow range rules may lead to temporary or permanent removal from the range.
- **DO NOT** climb on back wall to retrieve stray arrows. Ask an associate for help.
- **DO NOT** sky draw your bow. Please review posted signs in the range. Sky drawing your bow results in arrows getting stuck above the targets and/or damaging the ceiling or light fixtures.
- **DO NOT** nock arrow while shooters are down range.
